SchoolBellQ

SchoolBellQ* Services
The Best ERP For Your School

Get the Latest Tech – Our Next Generation Features will keep you ahead of the competition

The next generation ERP for your school with the latest technology, rich features and a great service team!

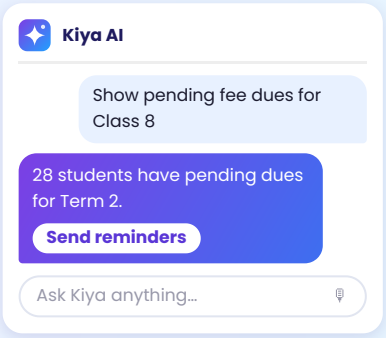

- Quick TAT for Launching
- Proactive Customisation
- No License Fee, Best Price
- 24×7 Customer Care for App Users
- On-Premise, dedicated, trained full-time manpower for the school operations at your school

Kiya AI Meet Kiya AI – the smart assistant inside your ERP NEW

A chatbot within your ERP: just ask, and Kiya finds the information and pops it up for you – and it can get things done too.

- **Ask anything** – "What are the pending fee dues?" and the answer appears instantly
- **No digging through menus** – find any information in your ERP in seconds
- **Take action** – send reminders and updates straight from the chat
- **Speak or type** – use the microphone or simple everyday words

Get all modules at the best price and in Quick TAT
